Missionaries to

## Russia

## 1st Qtr Prayer Letter 2019

Our dear supporters,

Thank you for all your faithful prayers and support as we labor for the Lord in St. Petersburg, Russia.

Kristina, our daughter has made a visit with the doctor that implanted a stint into her right knee to slow the growth. The outcome now is that her two legs are very close in length and that a final surgery is needed to remove the stint. We are not sure of a date yet, but it should be within the next few months. Then, we hope to move on and have her ankles addressed. Thank you for your prayers for our family!

Our church is doing well and I am very thankful to have a fellow pastor now working with me in the ministry. Pastor Alexander has been welcomed in with us and I look forward to him taking this church.

We also have had some new people visiting our services and look forward to keep in contact with them. Sometimes they are people looking for a new church home, but in some cases we are seeing people to whom the Lord is drawing to Him and are not saved yet. So praise God for this and pray the Lord will give us wisdom!

We did recognise in church "International women day" and gave out flowers to our church ladies. And of course, prayed for them. The ladies were very happy and we thank the Lord for them.

Soon, we will be holding a two day family camp. We have invited our church family to a resort north of St. Petersburg and there we will conduct seminars on the importance of discipleship. I am very excited to see our people wanting to have more Bible studies and to teach others also. May the Lord bless this endeavour.

Every Wednesday night we are now having Bible studies with certain people in our

church that live in our area. Pastor Alexander is taking the northern part of the city, as I cover the south. We hope that other men in the church will look at this as an opportunity to grow and to begin discipleship as well.

Again, thank you our dear friends for your love and faithfulness to the Lord. We thank the Lord for you all.

In Christ alone,  
Jon Zwingel
