

# Parish Lenten Mission

## *Narrative Spirituality: Finding My Guiding Story*

**Monday, March 21 • 7:00pm**

Family Event (in the church)

God has a unique dream for each one of us. The story of our lives reveals this dream. When we come to the quiet and lay the stories of Jesus next to our own, God's dreams not only become clear, Jesus draws close and listens to our stories as well. Join us in our Lenten Mission for an evening of beautiful music and reflecting on how the stories of Jesus touch our own life stories.

**Mary LaMont** is the director of The Knocking Door, a ministry that provides retreats, workshops, minister training, and spiritual direction for parish groups, schools, and religious orders in the Chicago and Joliet dioceses.
