## Directions for Completing Pre-K, Kindergarten, and New Entrants Registration

Carefully review the forms in each section below to become familiar with registration documents you will need. Some forms need to be completed by a medical provider, but most forms will be completed by the parent/guardian (P/G). This page lists only the forms needed for a successful registration. Please keep this page as a checklist.

**Important Note:** If your child (ren) will be attending a Universal Pre-Kindergarten Program (UPK) at a community collaborator site and not at the Barnard Early Childhood Center, you need only the following documents to register: School Registration Form, Adult ID, Birth Certificate, and 3 Proofs of Residency. No other form is required. All other parents/custodians must complete the forms and provide documents listed on this page.
