The City School District of New Rochelle, in partnership with the Westchester County Department of Health, is hosting an event for free first-dose appointments of the Pfizer COVID-19 vaccine. New Rochelle Students ages 12 and older are eligible to receive the vaccine at this event, as well as School District staff members.

Vaccines are provided at no charge to families. Parents must accompany their child to the vaccination program. After the vaccine has been administered, your child will be required to remain in an observation area for 15 minutes.

**APPOINTMENTS ARE REQUIRED / WALK-INS WELCOME!**  
Please bring the completed Consent Form to your confirmed appointment. Medical staff will be on-site to answer questions. If you have questions about the vaccine or this process, parents may call the Westchester County Department of Health at 914-995-5800.
