

CITY SCHOOL DISTRICT OF NEW ROCHELLE

HEALTH & SAFETY

*Visit the **RESCUE** homepage to find meeting dates, agendas, construction reports and other important documents related to health and safety.*

*Visit **UPKEEP!** to report health and safety concerns in our school buildings and on district property.*

RESCUE

The District's Health and Safety Committee is comprised of administrators, teachers, union members, and the public, as required by Commissioner's RESCUE regulations.

RESCUE stands for **RE**build **S**chools to **U**phold **E**ducation.

SCAN ME

UPKEEP!

Working together, we can continue to advance the safety of our district's physical environment through the Upkeep! web-based management system, a way to report health and safety concerns at school buildings and district offices.

SCAN ME

Our Mission

We offer full support in the development of preliminary designs (architectural and technological), as well as construction projects.
