## NRHS WESEF Practice Night

March 4 @ 7:00pm  
Virtually via Zoom

WESEF, the Westchester Science and Engineering Fair, is the largest local science fair in the nation. In a few weeks, over 650 students will present their science research projects and be judged by professional scientists. We want our students to excel at the competition and be as prepared as possible. In order to do that, we need your help.

Please consider joining us at our **Virtual WESEF Practice Night** to serve as practice judges for our students, ask questions about their research, and provide helpful feedback. *No science background is needed!*

If you are able to join us, please register here: [forms.gle/XhkiadzLiP5eZ7Dc9](https://forms.gle/XhkiadzLiP5eZ7Dc9)  
(Registering is important, so that we can send the Zoom link and instructions.)

Our students have been working very hard on their presentations and they are super excited to share their work with you. We hope you can join us!

### Schedule of Evening

- 7:00** Overview of WESEF and Judging Instructions
- 7:15** Judging Round 1
- 7:35** Judging Round 2
- 7:55** Judging Round 3
- 8:15** Conclusion of WESEF Practice Night

**Rekha Liveris**  
Science Chair

**Jeff Wuebber**
