

Milk and Honey Facial

(offered now - Feb 25)

Rescue skin from the drying effects of winter with the Milk and Honey Facial. Skin will be immersed in soothing nutrient-rich extracts and milk acids. Dry, depleted, dull complexions will be re-hydrated and restored to buoyant health for a dewy, luminous glow. Extras such as a firming and brightening eye treatment and a relaxing paraffin wrap for the hands, will also be included.

Call us today for a renewed sense of well-being.
