No Planned Programming

Saturday, June 25th:

Jr. Ranger Program – The Essential Salmon Survival Guide

Time: 1:00pm – 2:00pm

Presenter: Molly Anne, *AmeriCorps Interpretive Naturalist*

Location: Cascade Lake Day Use

Salmon are an incredibly important the Pacific Northwest, its history, its wildlife, even its landscape. For this program Interpretive Naturalist Molly Anne will explore the life cycles and the challenges of these amazing fish!

Walk and Talk – Civilian Conservation Corps

Time: 10:00am – 11:00am

Presenter: Nancy Stillger

Location: Cascade Lake Day Use

In the 1930's the Civilian Conservation Corps worked across the country in parks and on public lands, creating a legacy that is still alive today. Join guest speaker Nancy Stillger to explore the work done by the CCC in Moran and how it effects the present!
