

A PHOTOGRAPHIC JOURNEY: CLIMATE AND ANTARCTICA

(Wednesday, May 15, 7 pm @ SeaView Theatre)

Photographer, filmmaker, former NASA researcher, bird expert, and Lopezian Peter Cavanagh will present a photographic journey of a voyage along the Scotia Arc to Antarctica. Come learn more about the vast polar desert, its amazing wildlife, and how changes in climate there impact San Juan Islanders locally and globally. This event is sponsored by Friends of the San Juans and Rainshadow Solar.
