

Learning Opportunity May 25:

Edible & Medicinal Wild Plant Stroll

Edible and Medicinal Wild Plant Stroll on May 25, featuring Orcas Food Co-op Produce Manager and herbalist Kristy Bredin and Ryan Drum, Ph.D.

Use the promo code PLANTWALKOFCI at checkout to receive your special Orcas Co-op Member rate. For more information and to register, visit www.Mermaid-Botanicals.com.

SATURDAY, MAY 25, 11AM-2PM

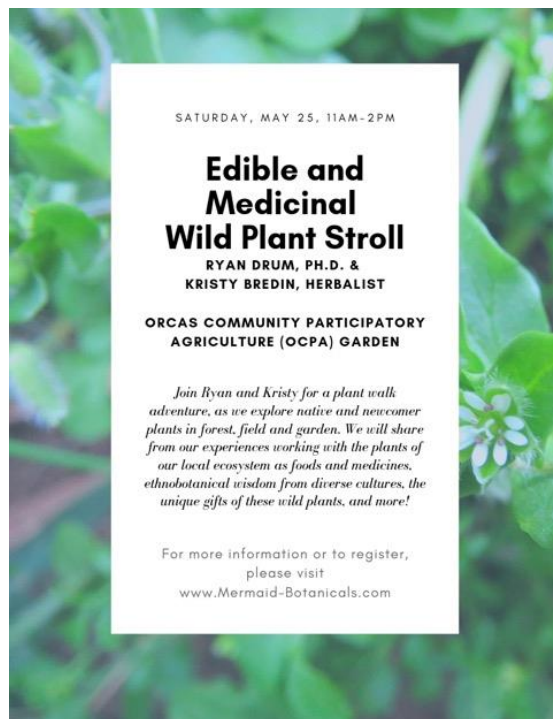

Edible and Medicinal Wild Plant Stroll

Ryan Drum, Ph.D. and Kristy Bredin, Herbalist
Community Participatory Agriculture Garden

Join Ryan and Kristy for a plant walk adventure, as we explore native and newcomer plants in forest, field and garden. We will share from our experiences working with the plants of our local ecosystem as foods and medicines, ethnobotanical wisdom from diverse cultures, the unique gifts of these wild plants, and more!

For more information or to register, please visit
