Open Registration for Library's PRIME TIME FAMILY READING

The Orcas Island Public Library is excited to be partnering with Humanities Washington and Prime Time© to bring the love of books and reading into your family. Together we want to develop a lifelong love of reading for families, focusing on children aged 6-10 years old but siblings of any age are welcome to join in.

Registration is now open for the program running from Thursday January 7th to February 11th. Prime Time Family Reading will run for 1-hour every Thursday evening at 6pm. **This is a 6-week commitment for parents and children to participate in the program.**

Registration is limited to 15 families who can commit to the 6-week program. You can register for the Orcas Island Library Prime Time Family Reading program HERE
