Friday, June 17th:

No Planned Programming

Saturday, June 18th:

Jr. Ranger Program – Banana Slugs!

Time: 10:00am – 11:00am

Presenter: Madeline, *AmeriCorps Interpretive Naturalist*

Location: Cascade Lake Day Use

Banana slugs: gross bugs that eat your garden? No!! Come on over to our Jr. Ranger tent (at Cascade Lake Day Use) to find out more about these slimy yet fantastic creatures that call the forests of Orcas Island home!

Walk and Talk – Salmon!

Time: 3:00pm – 4:00pm

Presenter: Molly Anne, *AmeriCorps Interpretive Naturalist*

Location: Cascade Lake Day Use

Join Moran Naturalist Molly Anne to learn about salmon, the most iconic of Pacific Northwest fish and a vital part of the PNW ecosystem and culture.

Sunday, June 19th:

Workshop – Knot tying

Time: 3:00pm – 4:00pm

Presenter: Hobbes, *Parks Interpretive Specialist II*

Location: Cascade Lake Day Use

Back by theoretical popular demand, we'll be hosting an informal knot tying program at Cascade Lake! Our interpretive team will be available to teach visitors basic knots, camping knots, fun shoe knots, complicated but useful knots, and useless but cool knots! Supplies will be available at the workshop but feel free to bring your own rope or cord as well.
