

MUSIC TOGETHER CLASSES AT THE FUNHOUSE

(Wednesdays at 10 am, October 9th to December 11th)

The fall session of Music Together with Miss Mary begins soon! This class is for children ages 0-5 and their parents or care-givers. Music Together® is practiced all over the world, following the philosophy that children learn the most in a play-based environment sharing the experience with their adult role-models. In class we will sing, chant, groove and move, keep the beat, play instruments, be silly, and generally have a great time! Thanks to the Jubilation Foundation and Funhouse Commons, there are scholarships available for the session. For an application, stop by the Funhouse, call **360-376-7177** or email emilie@thefunhouse.org. [Read more...](#)
