

Due to popular demand, an additional 50 car spots AND Walk-Up tickets have been added to the 4th of July Laser Light Show at Mount Baker Farm!

If you have a car reservation, you'll be able to drive into the venue and listen to the music and entertainment through your car radio. For walk-ins, simply park nearby (Buck Bay or Orcas Center), and walk-up to the venue at 706 Mount Baker Road. Be sure to bring either chairs or blankets to sit on!

Car reservations are with a suggested donation of \$25, and walk-up tickets are available with a suggested donation of \$10 per person. We're currently under-funded, (an additional \$4,000 is needed just to break even!) so if you are able to give more, please do!

The gates will open at 7 p.m. for attendees to claim their spot and enjoy great food and treats by local eateries and LIVE music from locals Gene Nery, Joel Gamble, Jeffrey Horton, Clint McCune, Grace McCune, Jake Perrine, Stormy Hildreth and special guests! The Laser Light Show starts at 9:30pm.
