

Orcas Island Garden Club-the November Offerings

Newsletter and Featured Webinar!

The Orcas Island Garden Club continues to make contributions in the community. And while we aren't meeting in person, we are actively engaged in enriching the gardening community. Do check out the November Newsletter and featured Webinar on the Orcas Garden Club Website at <https://www.orcasislandgardenclub.org>. Chock full of garden info, book reviews, recipes, edifying workshops, virtual botanical adventures, and some events and occasions that benefit and acknowledge our small island paradise.

Call for Garden Club History!

The club is seeking photos, stories and any information you may have about the history of the garden club. Please send any info you have to oigcnewsletter@gmail.com or by mail to Membership Chair, PO Box 452, Eastsound, WA 98245.

Membership!

The Garden Club continues our annual Membership drive. Membership allows the club to continue its community enrichment; grants, tours, speakers and more. Click on the link to become a new member; your \$20 helps us continue to do the good work the club has done for decades. Now, more than ever, we take refuge in nature and the changing of the seasons. Become a part of this legacy and spark your own appreciation for gardening and the natural world.
