

The Island Inspiration All-Stars are back in action bringing a powerfully eclectic mix of dance styles to Orcas Center Stage. Transitioning seamlessly from smooth to percussive movements, solo to unison dancing, the All-Stars rewrite formations and floor patterns with such fervor guaranteed to leave the audience dancing in their hearts. Come on out and enjoy two evenings of good, clean, family fun entertainment. This program will also feature Jeffry Steele live on his eight string guitar playing a classical medley and a song selection by Sanjaya adding an additional layer of beauty to this production.
