

Cloud 9 Events under new ownership!

Dear fellow islanders,

It has been such a pleasure to be part of the island community and to plan weddings, events and other productions for the past 12 years. I loved working with each and every one of you, and enjoyed creating memories for so many people together. It is now time for me to move on to new ventures in the mountains of Montana. But I couldn't be happier to announce Olivia Roseberry Knoellinger as the new owner of Cloud 9 Events. As a true local with many years of experience, a fantastic network and a wide variety of skills (and not to forget to mention her big heart) she not only appreciates the business but also understands how to operate it successfully. She will rock the local wedding & event scene and bring Cloud 9 Events to the next level.

Thank you for your much valued trust in Cloud 9 over the years. I highly cherish every shared moment and will take them with me. I know that you will enjoy working with Olivia in this new inception of Cloud 9 Events to create many more magical events to come.

With love,

Kimaya Maitreya
