

## **MASTER GARDENERS NATIVE PLANT SALE (Order Deadline is March 6)**

Interested in native plants for your landscape? Order bundles of bare root plants now for delivery in March for spring planting.

This year's selections include the spectacular *Garrya elliptica*, the Coast Silk Tassel, and shrubs like the ever-popular Red Flowering Currant, Indian Plum and Mock Orange.

Order your plants now, as selections often sell out. And attend the sale on March 21 for a large selection of plants in containers that were not included in online ordering. Full descriptions, cultural requirements, and ordering at the link below.

## **MASTER GARDENERS NATIVE PLANT SALE (Saturday, March 21, 9am - 12pm at the SJC Fairgrounds)**

Interested in native plants for your landscape?

This year's selections include a dozen species of bare root evergreen and deciduous trees, shrubs and perennials like the ever-popular Red Flowering Currant and Mock Orange.

Order your bare root plants now, as plants often sell out. And attend the sale for a large selection of locally grown natives from Salish Seeds Nursery, and many additional plants in containers not including in early ordering.

Full descriptions, cultural requirements, and ordering at the link below.

Orcas residents can pick up their online orders at the Orcas Island Grange, March 21, 10am – 12pm.
