**Orcas Food Co-op**

**SHOP TWO WEEKS OF SAVINGS WITH CO-OP SEASONAL DEALS!**  
**11/10-11/25**

The holiday season is upon us! Despite supply chain issues, we're pleased to report that our team has done an incredible job ordering up in advance and our shelves are well stocked with all of your favorite seasonal items as well as everyday basics. Since the days leading up to Thanksgiving are some of our busiest days of the entire year, we are extending our hours a bit to 8am-8pm Monday-Wednesday (11/22-11/24). Thanksgiving Day we'll be open 10-3pm! We are expecting to be increasingly busy as we get closer to Thanksgiving, so we are encouraging our members to help reduce some of the potential for long lines and congestion by getting some of your shopping for the week done over the next few days. Of course, Curbside Pick-up and Delivery will be available through our [Online Shop](#) as well. While you're browsing, be sure to check out our

[Seasonal Deals](#) collection for extra savings on select items! There's still time to reserve holiday meats and pies! We have fresh (never frozen) Organic Turkeys available for pre-order (\$3.79/lb. member price), as well as an assortment of other seasonal meat choices and amazing pies from Three Sisters Bakery. Place your pre-order online [HERE](#), or come visit us in the store!
