

DEER HARBOR CHARTERS MARCH WHALE & WILDLIFE TOURS

March naturalist guided Off Season tours are up and running! Departures are from the Deer Harbor Marina [at 12:30](#).

Our guests enjoy and learn about the marine eco system including life cycles, reproduction, populations and human impacts to many different species that call our local water home. Some examples of wildlife we see this time of year are Steller sea lions, bald eagles, harbor seals, harbor and Dall's porpoises, a variety of marine bird life, transient orca whales and much more!

Call us at 360-376-5989 or www.deerharborcharters.com.
Since 1988.
