

Calling All Vendors: Friday Harbor Old-Fashioned Christmas Market 2019 - Application Now Open

It's time to sign up to be a vendor at the Brickworks Old-Fashioned Christmas Market, Saturday, December 14th, 2019! The Ag Guild is calling all farm, craft, and food vendors who wish to participate in this magical holiday extravaganza.

You can fill out the application online at: <https://fhbrickworks.com/news-events/sign-up-to-be-a-vendor-at-old-fashioned-market/> **Applications are due by Oct. 15th**

As in years past, the event is inspired by traditional European Christmas markets and evokes a bustling and festive “winter village” at Brickworks, Christmas trees, lights, an open fire, tasty local food and decorations. Santa and his elves will provide activities for kids and adults, and local musicians will entertain. Market hours will be 10am – 3pmpm.

We hope you will be interested in this fun and potentially lucrative vendor opportunity. Vendor products will be juried. All market items must be hand-crafted in San Juan County. Product ideas might include wreaths and garlands, toys, holiday decorations, artisan furniture, textiles, knit wear, ceramics, candles and holders, and Christmas cookies and candies.

Booth space is tight, and vendors are encouraged to pair up, if possible. We hope you can envision the spirit and look of the event we are working to create.

If you have any questions and further ideas for the event or if you need us to send you an application, please feel free to contact:
