Orcas Community Resource Center Holiday Closure (12/24-1/3): *Our staff have worked long and hard this year, keeping our clients and community safe, sheltered, and sane. We are closing OCRC for a winter break to give our staff some well-deserved time off to recharge, recuperate, and usher in the New Year with revitalized spirits. OCRC will close for our winter holiday break on Wednesday, 12/23, at 3:00 pm, and will reopen on Monday, 1/4/21, at 9:00 am. Please refer to our website or Facebook page for more info and a list of community resources and mental health support available during our closure.*
