

## *Museum Update*

San Juan County remains in Phase 2 and our exhibits, including the Crow Valley Schoolhouse, are closed. **Orcas Island Historical Museums will remain closed until further notice and will re-open during Phase 3 of the governor's Safe Start plan.** As a public space, the health and safety of our community is our priority.

Our admin and research office is open! We're working hard and having fun keeping up with history research requests and working through long-purported administration projects. Feel free to e-mail any research requests to [info@orcasmuseums.org](mailto:info@orcasmuseums.org). We're also processing recent donations which we can't wait to share with our community (stay tuned!).

Our membership efforts are off to a great start, thanks to all of you who have joined or renewed. [Click here to join or renew now!](#)

We're prepared to safely re-open when we are allowed with some slight changes to our exhibits. In the meantime know we're working hard on Orcas history!

Thanks for your ongoing support and we hope to see you and your masks from a safe distance soon.
