

100 MUSICIANS! 1 GREAT CAUSE!

(Sunday, March 1, 3:00 pm @ High School Gym-Orcas Public Schools)

All are invited to the 23rd Annual Benefit Concert For School Music featuring Orcas Choral Society, Island Sinfonia, Orcas Island Community Band, and Orcas Island School District's student band and string groups. And, please stay for the post-concert reception!

Donations at the door and at OIMAG.org go towards music scores, instruments, equipment and other essential needs for the school music program. The community's generous support enables the Music Advocacy Group (MAG) to provide about half of the budget for school music at Orcas Public Schools. This is MAG's main fundraiser. Hope you can come to this FUN concert!
