

## **COMMUNITY NOTICES FROM THE SENIOR CENTER**

The San Juan County Department of Health and Community Services recommends that people at higher risk of severe illness should stay at home and away from large groups of people. People at higher risk include those:

- Over 60 years of age
- With underlying health conditions including heart disease, lung disease, or diabetes
- With weakened immunity systems
- 

San Juan County Department of Health and Community Services also recommends the cancellation or postponement of non-essential gatherings. As a result, Orcas Senior Center Nonprofit will be closed starting Monday, March 16. All programs and activities will be suspended until further notice.
