Orcas Food Co-op

REMINDER!
Return Fresh Breeze glass bottles to the
Co-op by Wednesday, January 26th
1/20/21-1/26/21

Last week we were saddened to learn that Fresh Breeze Organic Milk will discontinue milk sales for the time being.

Fresh Breeze was a beloved brand at the Co-op and we know they will be sorely missed by our members, including the unique aspect of glass bottle packaging and bottle returns. For those who haven't done so yet, please return glass bottles by Wednesday, January 26th to collect your deposit.

Thank you to the Langleys for their many years of providing organic, sustainable, regional dairy products to us here on Orcas Island!

While this is an unfortunate development, we commend our buyers and managers for their swift response to keep a diverse assortment of milk options on the shelf. Check them out in the dairy section the next time you stop by!
