

## **SALES CONTINUE @ JILLERY THROUGH APRIL**

We are closely following the news of the global pandemic, and are reacting to the recommendations of the CDC to keep our environment as safe and healthy as possible. Our CLEARANCE sales (10 to 50% OFF) will continue through April, and our small team of three will try to remain open AT LEAST 5 days a week, while operating with caution and appreciation for our customers. Any weekday when we appear to be closed, try the door anyway.....we may be there cleaning. You're welcome to come in to browse, and purchase if you so desire! Jill: 360-376-5522 or Roger: 360-376-4404) at home.

ecocleanersinc.com Thank you all- We certainly appreciate all of the support during these challenging times. The Orcas Hotel and Cafe are remaining open. We have are offering the following:

1. Cafe is open for takeout everyday from 8a-1p and from 5p-7p. During this time guests may call, order online or stop by to place takeout orders.
2. We are offering private Chef Dinners in our historic guest rooms. These dinners provide guests an opportunity to get out of the house, have a gourmet-chef prepared dinner all while observe healthy social distancing. The spontaneous menus are four courses and are customized to each guests dietary preferences. We can accommodate groups of up to four guests. Dinner guests may also stay the evening and add a gourmet breakfast the next morning. The dinner experience along with wine pairing and service is \$100 for two guests. A gourmet breakfast can be added for \$40. (this invitation is exclusively for island residents)
3. This week we are launching a Sunday Supper delivery program. We will be preparing three course family style dinners with optional beverage pairings and delivering them to homes within a fifteen minute radius of the hotel. This is a four week subscription and guests can see sample menus and pricing on our webpage. [www.orcashotel.com](http://www.orcashotel.com)

We encourage guests to reach out to us directly by e-mailing [orcaser@orcashotel.com](mailto:orcaser@orcashotel.com) or by calling Julia and John directly at (360) 320-6415

Lastly- we can't thank the community enough for their continued support! It's been a crazy first month for us as the new hotel owners; but despite all the craziness in the world right now, there is nowhere we would rather be than Orcas Island. We look forward to getting through these challenging times and making sure the hotel's next chapter is the best one yet.

Thank You-

John & Julia
