

WeConcile® NEEDS MORE BETA COUPLES  
@[WWW.WECONCILE.COM](http://WWW.WECONCILE.COM)

(ongoing offer until filled)

WeConcile is an online relationship program designed to help couples develop more connected and less conflicted relationships. We are seeking twenty more Beta couples and are offering free lifetime use of WeConcile in exchange for your feedback (valued at \$60/month).

We need testimonials and the experiences of couples who are using it. We also need feedback about ease of use and navigation. We do not want your personal information.

This is an opportunity to “divorce-proof” your relationship with trust and intimacy.
