

Tickets go on sale for the WOWZA Raffle!

The Orcas Island Historical Society will start selling tickets on Saturday, July 10th for a raffle that could only be described as WOWZA (definition: surprisingly amazing-oh my gosh-out of the ordinary). Prizes total over \$12,000!

First prize: a 2013 Nissan Leaf e-car generously donated by Island E Cars on Mt. Baker Road. Second prize: "Uniquely Orcas Bag" filled with gift certificates for local restaurants and experiences, art and products by Orcas makers. Third prize: "A Day at the Beach" which includes a day at the private Willis Beach in Olga, a stand-up paddle board, a life vest, lunch, beach toys and s'more fixin's to end the day! WOWZA!

Tickets will be sold at the museum (cash, check or credit card) and at the Chamber of Commerce (cash or check only). \$25 gets you three chances to win one of these amazing prizes. The drawing will be held on Labor Day Weekend, Saturday, September 4 at 2 pm in front of the museum. The winner does not need to be present.

After a year of closed doors, we have felt a significant financial impact on the museums. We are grateful to our generous community businesses and individuals who donated our prizes. We are also grateful for your support in purchasing tickets and telling friends and family about this important fundraiser for the museums.

Contact the Orcas Island Historical Museum if you have any questions at info@orcasmuseums.org or call Bonnie Morris at 503-997-1913.
