

“the virtual vineyard” by Zoom - Sake and Sushi by Orcas Senior Center, Doe Bay Wine Company, and Rolling Sushi: Sunday, February 21, 5:00pm

Join Orcas Senior Center, Doe Bay Wine Company’s Cole Sisson, and sake expert from Seattle, Julie Shizukuishi on Sunday, February 21 at 5:00pm for “the virtual vineyard”! This month, in place of wine, we are enhancing your knowledge and tastebuds with sake. Although sake is sometimes referred to as “sake wine,” we will learn why it is fundamentally different.

The tasting kit will feature three small bottles of sake from Kizakura Sake Brewery, along with Dutch cheese from Cheeseland Inc., and crackers for \$30.

In addition to sake, sushi will be available to order from Rolling Sushi! For more details about how to order sushi and to participate in “the virtual vineyard”, register in advance at www.orcasseniors.org.

Next, purchase and pick up your sake tasting kit at Doe Bay Wine Company at 109 North Beach Road Thursday-Saturday 11am-4pm by February 20.

On February 21 at 5:00pm, open your sake, grab your chopsticks and sushi, and join your friends on Zoom!
