

Deer Harbor Charters will be Santa's Sleigh this holiday season. We are excited to transport Santa from the North to meet the children at the Deer Harbor Marina for the annual Santa Ship holiday on December 7th @ 10 AM. Family's and children are welcome to meet Santa as he approaches the dock at the Deer Harbor Marina. Bundle up and get ready to have fun!

Deer Harbor Charters also has two fun winter cruises available this year. If you have time to add anything about them in this blast that would be great. If not maybe in the next blast. Use whatever will work.

Deer Harbor Charters has two fun winter cruises available this Off Season. We are offering a winter wildlife cruise's for \$69 per adult ticket instead of the usual \$109. Trips are 2.5 hours and guests can expect to see Northern Sea Lions, Harbor Seals, Eagles and lots of other amazing wildlife.

We also are offering a 1 hour Scenic Island Cruise from the Deer Harbor Marina for up to six people for just \$149. Each trip is a private charter so tell your friends, family or someone special and spend a hour on the water today. This cruise is the perfect way to get on the water during our colder winter months and it is not as weather dependent as a wildlife cruise. A great value for a great cruise.
