EDC Resumes Its Business Recovery Workshops Starting Dec 8th

December 4, 2020 — The San Juan County EDC is resuming regular programming with the return of our Business Recovery Zoom Meetings, now called Business Recovery Workshops. This bi-weekly workshop, in a Zoom environment, will give business owners the opportunity to speak with professionals on a wide variety of topics related to the continuing economic recovery in San Juan County and stay on top of trends and data.

Please join us for our premiere meeting on Tuesday, December 8 from 9 to 945am via Zoom. EDC Executive Director Victoria Compton will lead a conversation about ways to help businesses get through the winter. We will be joined by Val Curtis to discuss social media and marketing as more local businesses seek to find a way to pivot to an effective online presence.
