

We are excited to officially announce our weekly Jazz Supper Club! This special evening, hosted in our newly renovated dining room, will feature a seasonal three course chef's menu and live performance by local musicians, including; Martin Lund, Steve Alboucq and Gene Nery. The menu and musical lineup will change each week and reservations will be limited to just twenty guests. We will also feature cocktails and a full wine list. While the menu will be set, we are happy to accommodate dietary requests at the time of reservation. Reservations are accepted up to four weeks in advance in the order they are received. Please e-mail your reservation request to orcascafe@gmail.com and include the date (or specify first available), number of guests (up to 6) and dietary restrictions. We anticipate limited availability to start, but will do our best to accommodate your group. The cost for the evening is \$55 per person and includes the three course chef's menu and door-fee for musicians. Additional courses and beverages can be added.
