

Rain Shadow Consulting is currently hiring for 3 positions! We are looking for hard working, enthusiastic team members excited to grow with a dynamic, thriving company that has been providing professional, high-quality tree care, forestry, consulting, and ecological restoration services in San Juan County since 2005. Benefits include paid vacation and sick leave, paid training and travel, and health/dental insurance. Temporary housing may be available.

Position: Experienced Arborist (\$32-45/hour)

Description: Take the lead role in tree care work, including pruning, felling, hazard tree removal, climbing, rigging, and utility line tree trimming. Manage and maintain essential tools and equipment. Work with and train ground crew as needed.

Qualifications: Previous tree care/arboriculture experience required, including chainsaw work, rigging, felling, climbing, aerial lift operation, and equipment operation. ISA Arborist and/or utility line clearance certification experience a plus. Valid driver's license and experience driving manual transmissions and driving/backing trailers required. CDL Class A or B or willingness to attend company-sponsored training desired. Must enjoy working outdoors year-round in all weather conditions.

Position: Crew Member/Tree Technician (\$26-38/hour)

Description: Perform a variety of tree care and forestry work, including felling, limbing, and bucking. Safely operate and perform basic maintenance of chainsaws, chippers, and other equipment. Support climber or bucket truck operator, including rigging and aerial rescue in an emergency.

Qualifications: Previous tree care/arboriculture experience required, including chainsaw work, landscaping, and operation of chippers, stump grinders, and other equipment. Previous tree service work, timber felling, utility tree trimming, and climbing and/or aerial lift experience a plus. Valid driver's license and experience driving manual transmissions and driving/backing trailers required. CDL Class A or B or willingness to attend company-sponsored training desired. Must enjoy working outdoors year-round in all weather conditions.

Position: General Administrator (\$22-28/hour)

Description: Perform a variety of administrative duties to support ongoing operations, including handling mail/email/phone calls, entering new work requests into CRM, assisting with marketing and social media, assisting with HR and accounting,

organizing/ordering supplies and equipment, and assisting with digital and paper file organization.

Qualifications: Previous experience in administrative or managerial roles, outstanding written and verbal communication skills, and proficient computer skills (Microsoft Office 365) required. Business and/or environmental science knowledge is a plus.
