

OCTOBER SPOOKTACULAR MINI-GOLF

It's time to get spooky at the mini-golf! We are partnering up with the Orcas Island Booster Club to bring some extra fun to the island. We are looking for families, businesses, or organizations to sponsor and decorate a hole on the mini-golf course. A laminated 8 ½ x 11 sign will be provided and placed at your hole with your name/business/organization as the sponsor.

To participate, it will be a minimum \$25 donation per hole, which will be given to the Booster club. \$1 from every mini-golf round during the month of October will also be donated.

Please fill out and submit the form to apply for a hole. Submissions will be reviewed and contacted by September 16th, but may be accepted until all 18 holes are filled. Decorating must take place September 28-30th so the course is fully decorated by October 1st. Take down will be November 1-3rd. Power connections will be limited, but some will be available. Decorations need to maintain access and playability through the hole, be able to withstand rain and wind, and will be subjected to hooligans (aka small children) as they play.

For the month of October, if you come mini-golf in costume, we will have a trick-or-treat for you!
