

Call for Submissions for 2021 GiveOrcas Holiday Catalog

The Orcas Island Community Foundation (OICF) calls for submissions for our online 2021 GiveOrcas Catalog. Our goal is to partner with organizations to offer donors an opportunity to contribute to local programs. Submit now to be featured in the eighth year of the GiveOrcas Holiday Catalog.

Things to know in 2021 Holiday Cycle:

- Applicants should request a specific amount when applying for the GiveOrcas Catalog.
- Request max limit: \$15,000
- OICF will once again have a "Flat Person" and distribute Game prizes (more on Games to come), *however we expect that you and your organization will actively encourage donors to visit the site and give to your organization.* Our hope is that by working together we will get everyone over the finish line.

Submit Online: To begin go to <https://oicf.fcsuite.com/erp/donate/list/request> and select your nonprofit name. If your organization's name is not on the list, contact OICF at 376-6423 or megan@oicf.us.
