

The Healing Arts Center is dedicated to providing space and support for holistic healthcare treatments and services for our community. We offer valuable education and resources about healthcare and wellness.

The Healing Arts Center is located in Eastsound in a homestead house from 1904. With fewer houses existing in town from this turn of the century era, our unique house is an asset to the community. We are currently seeking funds to install a structural foundation, add energy efficient windows and build an interior staircase addition to the building. This is a project about long-term vision, sustainability and heart. As a non-profit, the ownership of our sacred space lies not with its members, but with the community it serves. Investment in the building and property is The Healing Arts Center's best way to maintain its future. With over 30 years as a non-profit organization, we can continue our mission for yet another 30 years and beyond, serving generations of islanders.

The Orcas Food Co-op's Community Hero Program serves as an umbrella for "3% Thursdays," "Register Round Up" and "Coins for Community." Selected organizations are the recipient of funds gathered through the following:

- 3% Thursday: 3% of the gross receipts on the third Thursday of the month.
- Register Round Up: Shoppers have the opportunity to round up their purchases throughout the entire month.
- Coins for Community: Wooden coins donated when customers bring their own bag.

Shop 3% Thursday or

Round-up at the Register as a part of our Community Hero program. It's easy to Round Up your purchase. When your cashier asks you if you want to round up, simply say "Yes!" If you'd like to donate *more* than the roundup you can do that too. Just let your cashier know the amount you want to donate, and they can add it to your transaction. Donating to a great cause couldn't get much simpler than that!
