

## Orcas Garden Club Presenter Speaks of Climate Change

On Wednesday, September 21, at 10:30 am, the Orcas Island Garden Club will present a virtual (Zoom) meeting featuring Thor Hanson. Thor's presentation, *Hurricane Lizards and Plastic Squid*, addresses the fraught and fascinating biology of climate change, how plants and animals all around us are moving, adapting, and even evolving in response to the climate crisis.

This presentation will be recorded. The link to the live meeting, hosted by the Orcas Island Library, is:
