

PURCHASE ARTISAN SALMON AT CROW VALLEY GALLERY TO SUPPORT ORCA

Crow Valley Galley, local artist Esther Clark, and Friends of the San Juans have partnered to protect what we love! Purchase one of a kind, locally-made artisan salmon by Esther Clark at Crow Valley Gallery. The ceramic salmon are \$250 and Friends of the San Juans will receive a portion of the profits to support our Orca Protection

Fund. Esther Clark is a locally grown Northwest Native, born and raised sailing and hiking in the northwest. Esther hopes this project will inspire an impact of preservation of the salmon for generations to come. Esther Clark lives and works on Orcas Island, in the San Juan Islands.
