

CREATE A "SOULBOOK" WORKSHOP AT PEBBLE COVE FARM

July 9, 2022 10am - 4pm

-We often need reminders of who we are, what is meaningful to us, and how far we have come in our life. In confusing, lonely, or worrisome times, a SoulBook is a sweet treasure. It helps you remember the important things when you need to be reminded the most.

-It's a hand made book that tells all about YOU. It's a compilation of meaningful words, phrases and images. A reminder of what you know in your heart to be true. During the workshop you will be guided through activities and then create your book while making sweet connections with others - something we all need so much right now!
