## JOB SUMMARY

We are looking to hire an enthusiastic Production Team member to work full-time in our kitchen facility in Eastsound. This is an all hands on deck job assisting with every aspect of our production process - from harvesting to prepping fruit to cooking to shipping. The job entails fruit intake and prep, cooking, packaging and labeling our preserves line, cleaning, and assisting with product fulfillment. This is a great opportunity to learn about the art of preservation and small business, exercise your commercial kitchen experience, and work with a fun team of people committed to making an exceptional local product.

### **Ideally, you have the following qualities/skills:**

- Commercial kitchen, farm, or food production experience (we'll train the right person)
- Ability to lift 50 pounds (sugar & fruit are heavy!)
- Love working with your hands and can be on your feet up to 8 hours a day
- A can-do hustle attitude/you thrive on conquering tasks and strive for perfection
- Has own vehicle to get to work or reliable transportation
- Flexible and willing to accommodate frequently changing tasks (multitaskers who enjoy being busy are welcome)
- Committed, hard-working, detail oriented team player

## JOB REQUIREMENTS

This is a physically-demanding position that will offer an opportunity to work on your biceps and endurance. Repeated lifting of bins of 30-50 lbs is required (jam, fruit, and sugar are heavy!) Time on your feet may range from 4-8 hours per shift.

Hours: The kitchen is in operation M-F from 8am to 4:30pm. We can offer a tailored, regular schedule for the right person within this window. Increased hours and/or responsibilities are available upon demonstration of a willingness to take on a greater role in kitchen operations & a strong work ethic.
