## *Class of 2021*

### *Graduation Celebrations*

We are excited to announce the following graduation events for the Orcas Island High School Class of 2021. While we are continuing to take precautionary steps to protect our students and community and will comply with all health and safety regulations we are excited to be celebrating graduation in a more “normal” way this year. Like many things this year our celebrations will be a “hybrid” of tradition, technology and perhaps some new traditions. We do hope that you will join us in celebrating the accomplishments of the Class of 2021 during the next few days in whatever way you can.

#### ***Celebration of Success: June 11th, 10 am***

We will host our annual celebration of the graduating class and the awarding of local scholarships. We will live stream this event for the entire community (both near and far) to join us. All links will also be posted on our websites.

#### ***Orcas Island High School Graduation: June 12th, 2 pm***

Graduation will take place live and in-person this year! However, attendance will be limited to families and other invited guests of the graduates. The event will also be live streamed to be enjoyed and celebrated by family and friends near and far. Graduation Live Stream links will be shared on the school and district web pages and Facebook page on the day of the event:
