

**Salish Sea Tour Co.** is looking to add Orcas Island partners in several industries for their busy upcoming season. We work with groups that range from 2-10 people and offer a number of different itineraries. Visit [www.salishseatourco.net](http://www.salishseatourco.net) to learn more and please email [info@salishseatourco.com](mailto:info@salishseatourco.com) if you are interested in a partnership. We do whatever we can to help match you and your business with the customers you are looking for. Thank you.

**Artists** - Those who have private galleries and could potentially be commissioned for private pieces. All mediums.

**Photographers** - Interested in partnering with clients for private photo shoots while they are on the island?

**Farms and Gardens** - Animals, flowers, fruit, vegetables, bees and more! We want to visit you and learn more.

**Weddings Venues** - Do you have a venue you'd like to feature? We can add it to our pre-wedding experience.
