

Susan Slapin is September's Visual Art exhibit at Orcas Island Public Library.

Slapin's work runs a broad spectrum: abstract acrylic colorfield paintings and delicate colorful textured pastels are featured.

All about sense of place, nature, color, texture, sometimes dreamlike, nuance of medium. The sensory realm plays a large part in this work.

To view more of Slapin's work, visit Waterfront Gallery in Eastsound. Sometimes, Susan's Eastsound Studio is Open By Appt. (360) 298-2868.
