

Help Wanted, Seasoned A level Automotive Technician.

Orcas Auto Tech is located on Beautiful Orcas Island, we are a AAA Approved Napa AutoCare Center that has been in business for over 33 years with a solid full-time customer base. We are ingrained in our small Community, our customers are long term, our Neighbors, our Friends.

We are looking for 2 seasoned skilled Certified Auto/Light Truck (F550/19.5" wheels & under) to maintain, diagnose, repair & advise customer of any preventative maintenance needs in the future for their vehicles. You will be responsible for inspecting/diagnosing vehicle symptoms, communicating with vehicles owner for clear symptoms/diagnostics, parts sourcing/estimating the repair & repairing the vehicle. Our office manager will schedule, order your parts & check out customer when completed. We require at least 5 years of ASE or equivalent Certification, a clean driving record, good work ethics, being timely/reliably available 40 hrs. work week, good references, the ability to work with other professionals & customers in a professional manner.

Our shop is a clean, well-lit 4,500 square foot building with 4 bays, double deep, 5 lifts, Reznor heater, overhead exhaust evacuation system, we provide basic maintenance to modern & the sprinkled in classics, oil changes, 30-60-90k services, computer diagnostics, electrical, brakes, suspension, steering, tires, exhaust bender, A/C, (no engine, cylinder head gaskets or transmission replacements due to freight logistics of our ferry serviced only island location, poor recent quality/lack of good local machine shop & plugging up bays). We offer 4, 10-hour day work week, we typically have had 2-3 weeks on our schedule year-round with 3 Technicians working full time. Pay is \$70-\$90 hr. flat rate.

Reason for hiring is 2 of our full-time employees will be retiring in April of 2023. These positions do require you to be based on Orcas Island for our Monday through Thursday work days.
