

FROM THE ORCAS ISLAND SCHOOL DISTRICT

The Orcas Island School District wants to hear from you about...hearing from you. We are looking to better understand how we send out information -- and how we receive information. It is our hope that this survey will help us to create better and easier ways of messaging what is going on in the OISD. To that end, we have created a short (7 question) survey with which we hope you will participate. Everyone (staff, parents, students, community members) can help by completing the survey. The greater the participation the more useful and meaningful the information we get back will be. The survey is in Spanish and English. You can access the survey through the school website: orcasislandschools.org. Or you can go directly to it through this link: <https://forms.gle/88qF92kCZAMoG6ecA> Please take a look and tell your friends too!
