

Here is the current status for Orcas Hotel:

1. Cafe hours for takeout and outdoor dining remain the same. 8a-8p everyday.
2. We have added two more fire-pits to go along with our wind curtains and metal awnings. (so there are now three fire-pit tables for guests to enjoy and several covered, but well ventilated nooks to get out of the cold.
3. We will be releasing two new subscription packages online tomorrow morning and will be delivering them EVERYWHERE on Orcas. (small delivery fee for houses outside the 15 minute radius and free pickup option at The Donohue House for these subscriptions). These offerings will be live on our website [www.orcashotel.com](http://www.orcashotel.com) by tomorrow morning. (we will also send you all the updated offerings)
4. Special Occasion Hotel Chef Dinners will continue as we did in the Spring. Up to four guests (who reside in the same household) can join us for a chef's dinner in one of our private rooms. These dinners are \$75 per person and guests may opt to stay the night and have a gourmet room-service breakfast for an additional \$50 per guest. (limited to San Juan County residents only) Guests will have a private dining table as well as private restroom for their use.
5. Thanksgiving pre- orders are ending this evening, but we will offer a Thanksgiving plate for take-away or outdoor dining at the cafe. The cafe will close at 6p this day to allow our team to enjoy their own Thanksgiving celebration.
