## **The 2021 Orcas Island Chamber Music Festival needs a dishwasher for 6 nights in August!**

The Festival takes place at Orcas Center and dinners are served from the Madrona Room kitchen.

Dates and approximate times:

Friday, August 6	8:30 pm – 11:00 pm
Tuesday, August 10	8:30 pm – 11:00 pm
Friday, August 13	8:30 pm – 11:00 pm
Tuesday, August 17	8:30 pm – 11:00 pm
Friday, August 20	8:30 pm – 11:00 pm
Saturday, August 21	6:30 pm – 9:30 pm

OICMF is serving after-concert dinners on these evenings, which are being prepared by Orcas Island restaurant chefs. Our dishwasher will assist in passing out boxed dinners to performers and stage crew and run the dishwashing station.

At the beginning of each shift, there will likely be a load or two to run of the day's accumulation of miscellaneous dishes and glassware from rehearsals.

The dishwasher will use the Orcas Center's brand-new commercial dishwashing equipment, and staff will help with glass polishing and putting the dishes away.

Proof of Covid-19 vaccination is necessary for all Festival employees and volunteers in 2021.

A current Washington State Food Worker Card is required and prior food service experience is desired. This is a short-term contract position with no benefits. Pay is \$20/hour plus a really great meal during each shift.

Thank you for considering this little side-job! It's a great bunch of professional musicians and staff and a pretty easy gig.

Contact Festival Manager Linda Slone at [linda@oicmf.org](mailto:linda@oicmf.org) or call the Festival office at 360-376-6636 for more information.
