

## ORCAS HOTEL OPENS PATIO FOR DINING

Good Morning- Starting this morning the cafe will be inviting guests to enjoy meals on our patio during our business hours of 8a-1p and 5p-7p (daily, with the exception that we will be closed for maintenance this Wednesday). We ask that guests continue to place their orders online in advance and we will have them ready to pickup at our takeout window. Phase 2 regulations are posted on the property and we ask that guests follow all guidelines if using the premises. If guests plan on dining here, they can notate that on the order and we will include cutlery and napkins in the bag. Our interior hotel renovation is ongoing and we hope to welcome guests back indoors later this summer.
