

- Gift items: different things appeal to different people; anything goes! What would a toddler, child, teen, young adult, parent, grandparent, or pet enjoy?

- Food, chocolate, art supplies, games, toys, wine, chew toys, balls, trucks, baby dolls, books, gift certificates, baby items, kitchen supplies, tools, sports equipment?
- A weekend at your beach condo, tickets to a baseball game or play, an outing on your boat, or another activity you could share with someone.

- Gift Baskets can be anything - an actual basket or a hatbox, sand pail, laundry basket, flowerpot, tackle box, etc.

Before dropping off your fully assembled baskets make sure you provide a list of items that are in it as well as the family/ministry group who donated it. They can be left in the church office during the week and in the parlor on Sundays any time between now and November 27.

As a congregation, we will have another successful Basket Raffle at the 2022 Christmas Fair, thanks to each of you.
